St. Louis to Colorade via Wichita.

Commencing Sunday, July 13,1840, the Missouri Pacific railway will run through sleeping cars from St. Louis via Pleasant Hill, Rich Hill, Fort Scott and Wichita to Genesse and from theuce to Pueblo, Colorado Springs and Denver. This change was made on account of a great many people from the east going to Colorado being desirous of going via Wichita. The train will stop here two hours, giving all a chance to view the "Peerless Princess" and still land passengers in Colorado same time as if they had gone via Kansas City. It also gives the citizens of Wichita sleeping car service from here to Colorado. Returning, it gives us through sleeping car turning, it gives us through sleeping car service Wichita to St. Louis, and gives the Colorado people a chance to go east via Wichita. This change will undoubtedly be appreciated by the traveling public, and especially by the citizens of Wichita. If you are going east or west go via the popular new through route.
